

Fall Deepening Circle on Zoom

Wednesday, September 1 & October 13
from 1:30 PM to 3:30 PM

with Liz Sweeney, SSJ and Kaye Shinham, SSJ

The Deepening Circle is an opportunity to come together to access the wisdom of community and to tap the extraordinary co-creative energy that exists between us whenever human beings come together for conversations that matter.

We do this with others in a small community of faith—
which is the only place where transformation can really happen.
Our intention for the Deepening Circle is to deepen our conscious communion
with the Mystery of God, with one another and with our own depths.

We encourage you to “come and see” what might be possible together

To register: email kshinham@comcast.net

Donation: While there is no cost for the Deepening Circle, a donation to support the mission of Jesus House is most appreciated. For those who can, we suggest \$20.00 per session and \$40 for both sessions. Donations can be made online at deepeningcircle.com or jesushousecenter.org.

Or you may mail a donation to
Kaye Shinham, SSJ,
Jesus House,
2501 Old Milltown Road,
Wilmington, DE 19808

Those who register will receive a Zoom link
and handouts the day prior to the session.

Check out our website deepeningcircle.com for handouts and music from previous sessions.
